

Dear GCSYAN Reputable Centers of Excellence,

Greetings from the Office of Executive Director, GCSAYN. My name is Ismail Ayomide Ayegboyin (an Intern at GCSAYN)

Local Conference of Youth (LCOY) is a fantastic platform for young people to come together and discuss climate action in their regions. This year, we are pleased to announce that the LCOY will be held this year and we urge all our Centers of Excellence to apply to attend.

As a Center of Excellence of the Climate Smart Agriculture Youth Network Global (GCSAYN), you are in a unique position to help drive climate action forward. Your knowledge and expertise can help shape the discussions and outcomes of this conference if you hold one. We urge you to apply and host and have youths to showcase your ideas and plans for climate action.

Please fill out the application form provided in the link below, and provide them with your ideas and plans. While we understand that your plans may not be finalized, they will evaluate your goals and strategies. This form will also allow you to specify collaboration within your country, with the goal of having one collective conference per country.

The YOUNGO LCOY Working Group will evaluate all applications and provide you with feedback as soon as possible after your submission. Please be patient when waiting for a response to your application. The final submission deadline for applications is May 31, 2023, at 11:59 pm UTC. Submissions past this deadline will not be considered.

Please do not hesitate to reach out to [team@lcoy.earth](mailto:team@lcoy.earth) if you have any questions or concerns. We look forward to hearing about your applications.

Best regards,  
Ismail Ayomide AYEGBOYIN  
GCSAYN LAUTECH, Nigeria.
